BY THE HOUSE OF DELEGATES, DECEMBER 15, 1796.

GENTLEMEN OF THE SENATE,

WE have returned you the bill, entitled, An act for recording the deed therein mentioned, and trust, if reconsidered, that it will meet the approbation of your house. We conceive the principle of this bill has influenced the legislature on former occasions, where laws have passed to validate titles defective for want of recording; this case appears more essentially to require legislative aid, because the negroes (the subjects of its operation,) had no power, control or custody, of the original deed, and consequently no fault or neglect is imputable to them. As a security for all purchasers and creditors anterior to the date of said deed, we have amended the bill by a clause to that effect.

By order,

W. HARWOOD, clk.

The bill to alter and repeal such parts of the constitution and form of government of this state as relate to the council to the governor, was read the second time, and the question put, That the said bill do pass? The yeas and nays being required, appeared as follow:
